

A workshop on Implementation Science Research (ISR) in India

A St. John's Medical College Diamond Jubilee Event
Centre for Advanced Research and Excellence in Autism and
Developmental Disorders (CAREADD) &
The Division of Clinical Research and Training,
St. John's Medical College & Research Institute, Bengaluru

October 4th and 5th, 2023, 9.00 am to 7.00 pm

**Venue: St. John's Medical College and
Research Institute, Bengaluru**

CONVENOR

Dr Denis Xavier, St. John's Medical College (SJMC)

WORKSHOP DIRECTORS

Dr. Sowmyashree M Kaku, St. John's Research Institute (SJRI)
Dr. Kavita Singh, Public Health Foundation of India (PHFI)

TOPICS

- Models, Frameworks and Theory for ISR
- Key concepts and issues for ISR
- Operationalizing ISR
- Stakeholder engagement
- Case studies
- ISR in the real world
- Funding for ISR research

FACULTY

- Prof. D Prabhakaran, PHFI, Gurugram
- Prof. Monika Arora, PHFI, Gurugram
- Prof. Mark Huffman, WU, USA
- Prof. Denis Xavier, SJMC, Bangalore
- Dr. Jeemon P, SCTIMST, Trivandrum
- Dr. Kavita Singh, PHFI, Gurugram

Who can attend?

For early to mid-career medical researchers including but not limited to medical, nursing, dental, pharmacy, ethics committee, regulators, policy, social scientists, health economists, etc.

Benefits and insights:

- Faculty will provide a comprehensive overview of the field of Implementation science and how to:
- Undertake relevant implementation science research
 - Use appropriate theoretical models, research designs, and measurements
 - Collaborate within India and globally in implementation science research
 - Translate your research findings into policy and practice

Methodology:

Crisp interactive lectures, facilitator-led small group sessions, project development, and group presentations

- Registration fees are inclusive of 18% GST. It includes course material, breakfast, coffee/tea/snacks & lunch.
- Depending on funding support, travel bursaries are available for eligible participants (Full attendance mandatory)
- Limited seats, on a first come first served basis
- Registration after 20th Sept will not be awarded CME credit - applied for KMC credit points

- Beneficiary Name: St. John's Research Institute
- Bank Name: Bank of Baroda, Beneficiary's bank A/C: 05210100024920
- Branch: John Nagar, St. Johns Medical College, Koramangala, Bangalore-560034,
- IFSC code: BARB0STJOHN (5th digit is zero)

Travel and Accommodation: On-campus accommodation available on request.

Non-AC:

- Twin Sharing: Rs.560/- per day
- Single: Rs.840/- per day

AC:

- Twin Sharing: Rs.1120/- per day
- Single: Rs.1680/- per day
