Workshop Objectives

This online course in Epidemiology and Biostatistics has 2 introductory modules and 5 substantive modules. Completion of quizzes at the end of the introductory modules is mandatory prior to continuing to the substantive modules.

The course introduces research methods, epidemiological designs, and statistical analyses in relation to health sciences. The course aims to integrate theory and application in epidemiology, clinical medicine, public health, and biostatistics.

♦ The course is designed to address each study design using a specific example
♦ The study designs and associated biostatistical methods will be dealt with together such that the knowledge gap in adopting a statistic to a study design will be addressed
♦ The sessions will be delivered in two formats: real-time sessions are live sessions (for which the timings will be intimated in advance); and the other sessions are pre-recorded videos

Organization and delivery

Course faculty will be from St. John’s Medical College & Research Institute. All course material will be provided.

Registration

Registration is now open.
Filled registration form (www.sjri.res.in) can be submitted till 7th October 2020. Payment for registration is accepted via credit card, debit card, net banking or through bank transfer. The course will be open from the 1st to the 30th of October 2020.
Please visit www.sjri.res.in

♦ THIS YEAR --> owing to the COVID crisis, there will be no face-to-face course

Be Aware — Be Safe

Who should attend

This workshop is primarily planned for faculty and postgraduate medical/allied health sciences students, PhD students, post-doctorates and others associated with health research. No prior knowledge of research methods or statistics is required.

For further enquiry and registration, contact:

Dr Prem K. Mony, MD
Course Director
Head, Division of Epidemiology & Population Health
St. John’s Research Institute

Dr Tinku Thomas, PhD
Course Coordinator
Biostatistics Unit
St. John’s Research Institute

E-mail: epibio@sjri.res.in

Tuition fee:
Before 30th Sept 2020: Rs 5,000/- (for faculty) and Rs 4,000/- (for students)
Late entry till 7th Oct 2020: Rs 8,000/- (for faculty) and Rs 5,000/- (for students)
[plus 18% GST applicable on all fees]
