

Cornell University
Division of Nutritional Sciences

WHO/Cochrane Collaboration/Cornell University Summer Institute for Systematic Reviews in Nutrition for Global Policy Making

In collaboration with Cornell University, the Cochrane
Collaboration, and Micronutrient Initiative

Ithaca, NY, July 7-18, 2014

Division of Nutritional Sciences, Cornell University Campus

Participants in this hands-on Summer Institute will learn from experts how to conduct a Systematic Review on a nutrition topic for global policy making, and have the opportunity to co-author a published review on one of the following topics:

<http://www.sce.cornell.edu/ps/who/topics.php>

For a full description of the Summer Institute, see:
